

Prayer of Liberation and Healing

Lord, I humble myself before your presence. I love you, I bless you, I praise you, I worship you, I adore you, I exalt you, I magnify you, I glorify you and I thank you for your immutable being, for your infinite perfections, for your divine attributes and for having created me out of nothing.

I am clay, creature of your hands, sin that offends you.

With humility I confess your greatness and also my littleness. Oh my Lord, King and Savior, with humility and resignation I raise my spirit and I place it in your hands through the intercession of the Blessed Virgin Mary.

Lord, forgive me, bless me and deliver me, Heal me, purify me, sanctify me and save me, through your most holy wounds, precious blood, water, pains, tears, sorrows and anguishes and those of the Blessed Virgin Mary.

Anoint me, illumine me and restore me, reveal your presence.

Act right now my Lord and glorify your holy name.

Prayer in tongues (If you do not have the gift of tongues repeat: Jesus, Mary, be my salvation)

Be gone Satan out of my life in the holy names of Jesus and Mary.
